Sir,

I have the honour to submit for the Chief Commissioners orders the Mysore Educational Budget Estimates for 1881-2

2 From the estimate of receipts a sum of Rs 4000 has been transferred to the credit of Local Funds, as sanctioned in CCO No 2182-Ed-34 of the 13th July 1880, para 4, on account of fees realized in Taluq Vernacular schools, the charges for which have been debited to those Funds

3 The total estimate for expenditure is Rs 1,80,000, against Rs 189000 for the current year The following are the details of the differences in items

I Direction The salary of the Manager Book Dept has been transferred from the Director's Establishment to that of the Book Dept

II Inspection - Besides the differences arising from the application of the sanctioned scale, as stated in the Remarks column, the charges for 2 Sub Deputy Inspectors of Hindustani Schools have been transferred to Local Funds, from which all the other Sub Deputy Inspectors are paid

III Instruction - Reductions have occurred through the retirement of Masters of District Schools who had attained a higher grade and the filling up of their places by Masters on a lower grade Also under Special instruction savings have been effected by the re-organization of the School of Engineering and Natural Science

IV Book Dept The pay of the Manager has been inserted here instead of under Directors establishment, and the provision for purchase of books, maps &c has been reduced as not being utilized to the full amount

Sir,

With reference to the printed Budget Estimates for 1881-2, just received from the Comptroller's office, I have the honour to call attention to the following

On page 2 of the Abstract of Disbursements, under head 18 Education, column marked Explanation, it is said 'the estimates of 1881-2 are the same as those of 1880-1, the Educational Budget not having been received"

But the Educational Budget for 1881-2 I would point out was forwarded with this

Office No 2626 of the 25th October 1880 I am at a loss therefore to understand the above "explanation"

2 Moreover, on comparing the items of the Budget proposed by me with those printed as above stated, and making allowance for the reductions noted, the following is the result –

	This office statement	Comptroller's statement
1 Direction	15800	16400
2 Inspection	9000	9650
3 Instruction	78100	84750
4 Book Dept	13180	13722
5 General	8500	8500
6 Grants in aid	23920	25928
	148,500	159,000

(Should be 158950)

3 It will be seen that the totals are very different Under Instruction, the orders regarding the transfer of the cost of Taluq Schools to Local Funds have not in the Comptroller's statement received any attention The printed Budget is, in short, erroneous in its figures and misleading in its explanation

4. I should be glad to have the matter

rectified, and would at the same time earnestly request that the Local Funds Educational Budget for 1881-2* may be obligingly passed, as the want of orders in the matter, as already brought to notice, is preventing absolutely necessary arrangements being made in many places

2 The receipts are estimated at the same amount as for the current year, namely Rs 34 000 For although the fees may altogether produce more, those of the Taluq English Schools are now diverted to pay part

part of their cost

3 The total disbursements amount to Rs 151000, being a reduction of Rs 600 on the present year's budget The following are the items of difference

Inspection - An addition of Rs 450 is made to provide for the progressive pay sanctioned for Deputy Inspectors by the Government of India

Instruction - In a similar way provision is made for the progressive pay sanctioned for the Vice Principal of the Central College

Under Head Masters, Assistants, Pupil Teachers and Servants, provision has been included for the Chickmagalur High School, in accordance with order No $\frac{2452-3}{66}$ of the 23rd January last for one third the cost of 5 previously existing Taluq English Schools, under order No $\frac{1325}{1}$ of the 21st May last and
